

Center for Tropical Medicine

Universitas Gadjah Mada

Zero TB city is a project conducted by the Center for Tropical Medicine, Faculty of Medicine, Public Health, and Nursing of Gadjah Mada University (Tropmed) in collaboration with Dinas Kesehatan Yogyakarta, Dinas Kesehatan Kulon Progo, and Burnet Institute, Australia. The project aims to eliminate TB in Yogyakarta and Kulon Progo by applying active case finding, immediate TB treatment, and prevent TB disease among those in high risk of developing the disease. The central team is based in Tropmed UGM, Yogyakarta. The data manager is a member of central team under the leadership of the Project Director of Zero TB city.
